Bob Callison 204 Bedford Dr. Brooklyn

He wanted to know if a building can legally be erected on his property on Clark Lake Rd AG-1.

He was informed that interpretation of the law is not a function of the Planning Commission and the commission could do nothing for him. He explained how the law had been interpreted in his case. It was the consciences of the commission that the framers of the Zoning Law did not intend that out buildings be restricted on AG-1 property.

Motion by Wahr second by Holmstrom to accept resolution for Master Plan written by Region II Jan 6 09.  
Ayes all

A discussion of property rights and oil leases was held for the information of the commissioners.
