Topic: Conditional Use Permit Request. Barry Gibson representing Michigan International Speedway requests that the property at 1266 US12 also known as ADP parcels #20-31-376-001-00, 20-31-326-001-02 & 20-31-351-001-00 to be used as a campground & parking (also known as Lot 4) which is to be later combined as one parcel. The DEQ letter dated August 7, 2003 to be part of this request. Conditions set forth on this includes that MIS to supply this Township documentation from the State of Michigan variance proof and also that the sites complies with the State of Michigan & Jackson County rules & regulations. Motion by Watkins, seconded by May to recommend to the Township Board that they approve the conditional use permit. All voted in favor, no nays.

Topic: Site Plan Approval pertaining to the parcels mentioned above. Motion by May, seconded by Watkins to recommend to the Township Board that the site plan be approved. All voted in favor, no nays.

Side note: On Columbia Sewer System as per the sewer committee request.

The motor home dump station has no protective provisions to prevent foreign material from being introduced into the sewer system. This setup is no different than other motor home dump stations located on both state & private campgrounds.

The sewer line coming from the campsites does have a protective grate as well as a grinder pump to prevent larger foreign material from entering the sewer system.

Topic: Review of Minutes of August 5, 2003 Motion by Holmstrom, seconded by Parker to accept the Minutes of that meeting. All voted in favor, no nays.

Topic: Township Ordinance Workshop

Topic: Next Planning Meeting is Sept 2nd, 2003

Topic: Motion to adjourn All voted in favor, no nays
